Tryout and Evaluations- 10 Important things to know

- ***PARENTS PLEASE NOTE:

Tryouts/Evaluations are specifically for those players wishing to play on a competitive Tier 1, 2 or 3 team. *****Players not wishing to play competitively do not have to attend the tryout/evaluation sessions as they will be placed on a non-competitive team for community league play.***
- Players should report to check-in table 15 minutes prior to tryout/evaluation session.
- All players must be officially registered with NW (with registration paid) in the Northwest RAMP Registration System.
- Players should ensure they RSVP to tryouts through the Google form at <https://forms.gle/vMgH7RXeeaLdy5GC6>
- Players **must bring their own basketball**, indoor shoes, and water bottle to their session(s).
- Players should wear a reversible jersey (if they have one).
- Once a player has been selected to a competitive level team they are committing to play for that team for the balance of the season. No player movement between teams will be permitted unless expressly requested and approved by the coaches and the Northwest Basketball Executive.
- All player evaluations will be made by a combination of independent skills evaluators and team specific coaches.
- Northwest Basketball reserves the right to create (or not create) Tier 1, Tier 2 & Tier 3 teams based on the number and skill levels of players attending tryouts and evaluations. In some cases, a Tier 1, 2 or 3 team may not be created.
- Session 2 and or 3 may or may not be needed in all categories. This will depend on the number and skill level of players attending Session 1.
